All items which are purchased by HQ MNC NE must be new and at least with 1 (one) year of warranty after the day of delivery.

2. Technical Specifications and number of items

a. Technical specification ENG

Tent is required due to the needs of organizing trainings and exercises. It can also be temporarily used for moral and welfare as well as medical purposes related to COVID-19.

The tent has to be the most suitable, fulfil HQ operational needs and requirements. The tent should be fully portable; procurement of tents system (few smaller tents connected in one or modular) should be taken under consideration as the best solution.

Possibility of renting the tent for winter time or whole year/s with a possibility of prolongation.

Easy handling and transport, operation and simple installation.

Is certainly for military use.

Multi-purpose tent as:

Exercises: Briefings, conferences, messing and moral & welfare

Medical: counter-pandemic, disinfection, triage, field hospital and sanitary

Fitness: Gymnasium and official events
